

The Smart Export Guarantee (SEG)

Did you know that you may be able to earn money from the solar panels installed on your home or business through the SEG?

Under this guarantee you are paid for every unit of electricity that you feed back into the grid from your solar panels.

To find out more about the SEG, including a list of SEG suppliers and eligibility requirements, search 'Smart Export Guarantee' at [GOV.UK](https://www.gov.uk) and [Ofgem.GOV.UK](https://www.ofgem.gov.uk)
